Every member must complete the above form every year in order to satisfy the requirements for AAUW of Oregon's bulk mail postal permit. The specifics are:

- Four issues a year must be mailed with a minimum of 200 copies
- Members must complete a subscription form each year
- The forms must be stored someplace in Multnomah County
- Forms must be available for inspection by the post office

Not all AAUW members have computers, which means that a certain number of *Oregon News* copies must be mailed. The bulk mail permit saves AAUW of Oregon money for those copies.

---

Beginning with the 2009-10 year, \$46 of national AAUW dues is tax deductible as a contribution. Donations to the Education Foundation are also tax deductible as charitable contributions for federal tax purposes and should always be paid by separate checks from dues.
